The Love Song of J. Robinette Biden

It was a long hard battle, we assembled all our hosts.
From polemical editorials, to Tweets and Facebook posts.
A world of justice and fair play, these have been our goals.
The fight was long and bitter, but we won it at the polls.
Violence toward immigrants; savage police repression;
Poverty, disease, and want; wars of aggression,
A planet that is dying while Wall Street stuffs its purse;
At last we've won, it'll all be done by a Cabinet that's diverse.
