

Detroit teacher commends WSWS for printing the truth about the school strike

9 September 1999

Dear Editor,

I am a substitute teacher in the Detroit schools. Recently David Adamany & Comp. wanted to eliminate my job, and make conditions even worse for the regular certified teachers. (Adamany wanted them to sub on their prep hour.) I read everything that came down the pike on the subject.

The *News* and the *Free Press* infuriated me with all of their well-planned propaganda. It is quite clear that they are on the Engler/Archer/Adamany/Elliott team.

Thanks to the *WSWS* for printing the real deal. I used to think that all this socialist stuff was too extreme, and it does not stand a chance, but now I see that is the only camp with the truth.

Sincerely,

MAH
