

Readers welcome launch of World Socialist Web Site in Tamil

9 May 2000

Dear Sir,

I was please to read all the news in Tamil through your web site. I would like to say that the quality of Tamil text is higher than the other existing web-based Tamil news sites.

Could you send me some details about who is behind this initiative?

Thanks

S.

I wish to thank and congratulate you for launching a Tamil web site. The 70 million Tamils around the world are highly politicized and interested in world affairs. The Tamils as an ethnic group are basically very liberal and global in their out-look.

T.

Dear Sir/Madam,

We thank you for providing us WSWS in Tamil.

Yours sincerely,

R.P.K.
