International Students for Socialist Equality meetings in Britain

90 Years since the Russian Revolution

14 November 2007

To mark this historic and world-shaking event, the Russian Revolution—the first time the working class took power—the International Students for Socialist Equality in Britain is organising special showings of Herman Axelbank's film, *Tsar to Lenin*. This groundbreaking documentary contains original and rare footage of the 1917 Revolution and its major actors, including V.I. Lenin and Leon Trotsky.
