

Special discounts and new features available at Mehring Books online

5 January 2010

With the launch of its improved web site, Mehring Books is pleased to announce two special, limited-time offers:

- Extension of our holiday sale, which includes savings on specially-themed book bundles and discounts on individual titles
- Free US shipping with the purchase of two or more holiday sale bundles

The upgraded Mehring Books online offers many new features. Users can now set up individual accounts to store billing and shipping information, as well as to create wish lists. The site offers previews of many books, along with tables of contents, author biographies, photographic slideshows, and links to online book reviews and other related reading. In addition, the catalog is indexed by subject to make browsing easier.

Mehring Books is also launching a monthly e-mail newsletter that will announce new publications and special offers. Subscribers to the newsletter are eligible for special discounts.

We invite readers of the *World Socialist Web Site* to link to Mehring Books' Facebook and Twitter pages. Help promote Mehring Books by sharing links with your contacts.

With the continuing development of Mehring Books online, we are striving to make our extensive library of Marxist and socialist literature available to the widest possible audience.

Take the time to browse the new site and to test its features. Your comments and suggestions are appreciated.
