

SEP (Australia) relaunches party web site

29 July 2010

The Socialist Equality Party has relaunched its website, <http://www.sep.org.au>, featuring the SEP's 2010 election statement, profiles of its candidates, information on meetings and events, and analyses of major political and social issues.

We encourage all WSWs readers to visit the site regularly for updates on the SEP campaign.

Facebook users can find the SEP page at Socialist Equality Party Australia. The page also features the party's candidates, analyses and events.
