

The Historical and International Foundations of the Socialist Equality Party (Britain) now available

28 September 2011

Mehring Books is proud to announce the publication of *The Historical and International Foundations of the Socialist Equality Party (Britain)*.

The document was adopted unanimously at the founding congress of the Socialist Equality Party (SEP), held October 22-25, 2010 in Manchester. It reviews and examines the most critical political experiences of the British working class, centring in particular on the post-war history of the Trotskyist movement.

This volume also incorporates the *Socialist Equality Party Statement of Principles*, outlining the basic conceptions of the SEP and the foundation for membership in the party.

Published in paperback with 152 pages, it is available for £7.50 plus shipping and handling.

Copies can be ordered by emailing sales@mehringbooks.co.uk.
