

WSWS publishes New York school bus strike newsletter

9 February 2013

The *World Socialist Web Site* has produced a third edition of the weekly newsletter for striking New York City school bus drivers, matrons and mechanics. The “WSWS NYC School Bus Strike newsletter” includes the Socialist Equality Party statement “Mobilize the working class to defend school bus strike,” interviews with striking workers and an article on the 13-week walkout by school bus workers in 1979.

The WSWS encourages striking workers and their supporters to download the newsletter and distribute it as widely as possible. The newsletter, which has been welcomed and widely read on picket lines throughout the city, discusses the critical political issues facing strikers and the entire working class.
