The Socialist Equality Party has organized rallies across Berlin under the slogan: “Vote against war—vote PSG!” We are featuring a report of the antiwar rally held by the PSG at Leopoldplatz in the Wedding district of Berlin. The speeches by PSG chairman Ulrich Rippert and the European election candidate Christoph Vandreier met with considerable support from passersby.

In their remarks, both Rippert and Vandreier emphasized that NATO’s aggression against Russia is the result of the capitalist crisis and threatens a new war and that only united action by the working class can prevent such a catastrophe. *Click here for excerpts from the speech by Vandreier. A separate video features interviews opposing war. English subtitles can be activated in the bottom right-hand corner of the videos.*
