

Video: Detroit residents speak out against water shutoffs

James Brewer
22 July 2014

More than 17,000 Detroit residents have had their water service shut off as part of the city administration's drive to privatize Detroit's water department in coordination with the city's bankruptcy. In this video, Detroit residents speak out against water shutoffs at a bill payment center and rally against water shutoffs called on July 17 by the the Detroit workers Committee and Socialist Equality Party.
