

Over 200 attend IYSSE meeting at Berlin's Humboldt University

24 October 2014

The October 23 meeting organised by the International Youth and Students for Social Equality at Humboldt University in Berlin entitled “Why do the German elites once again want war?” was highly successful.

The audience of students and workers listened attentively to the lecture by ICFI secretary Peter Schwarz, which was followed by a lively discussion period. A detailed report will be published tomorrow.
