A photo slideshow of the US oil workers' strike

11 February 2015

Reporters from the *World Socialist Web Site* have visited picket lines of striking oil workers in Indiana, California, Ohio and Texas. The following is a photo slideshow of the striking workers and their refineries. (Click on the photo to start the slideshow)

Start slideshow

There are also photos from the 14-week walkout by 60,000 oil workers in 1980 taken by photographers from the *Bulletin* newspaper, one of the predecessors of the WSWS.
