

On the anniversary of Lenin's birth

Special offer from Mehring Books

16 April 2015

In honor of the 145th anniversary of the birth of Vladimir Lenin, co-leader with Leon Trotsky of the October 1917 Russian Revolution and founder of the Bolshevik Party, Mehring Books is offering the DVD *Tsar to Lenin* as well as *The Russian Revolution and the Unfinished Twentieth Century* by David North at a reduced price.

Tsar to Lenin is one of the most important films made in the Twentieth Century. It documents the 1917 Russian Revolution using live film footage backed by the masterful narration of Max Eastman. The film captures the scope and power of the October Revolution at the same time placing the momentous event in its historic context.

David North's work, *The Russian Revolution and the Unfinished Twentieth Century*, explains the continuing historical relevance of the October Revolution, rejecting the claim that the dissolution of the Soviet Union represented the failure of Marxism. It examines the enduring significance of the political struggle waged by Lenin and Trotsky and their critical contribution to the development of Marxist theory.

For a limited time Mehring is offering both works at a reduced price as well as a special sale bundle containing both items.
