

# Video: Flint residents speak out on ongoing water crisis

**Buster Haycock**  
**20 April 2016**

Tens of thousands of people in Flint, Michigan have been exposed to toxic drinking water as a result of the city's 2014 decision to switch its water source to the contaminated Flint River.

In this video, Flint residents speak to WSWs reporters after an April 9th meeting called by the nonprofit organization Water Defense.
