

Attend the May 31 SEP election meeting: “Battlefield Detroit”

Jerry White—SEP candidate for US president
26 May 2016

Detroit is a central battleground in a national and international class war. The corporations and the banks, represented by Obama and the Democrats and Republicans, are taking everything. But workers are beginning to fight back.

The Socialist Equality Party calls on all workers and young people to attend this meeting, and help to unite all sections of the working class in an industrial and political counteroffensive against the capitalist system.

Meeting information:

Tuesday, May 31, 7 p.m.

Wayne State University
General Lectures Room 150
