

Video discussion from West Virginia: SEP candidates Jerry White and Naomi Spencer

5 July 2016

Socialist Equality Party presidential candidate Jerry White and West Virginia House of Delegates candidate Naomi Spencer held a discussion—broadcast live from West Virginia—on the social crisis in that state, its connection to the global crisis of capitalism and the drive to war, and their campaign to bring a socialist perspective to the workers of Appalachia.

The discussion was held and can also be viewed on Facebook at fb.com/sepus.
