”We have people in office that support war. We no longer need them”

Detroit high school students speak on Trump and the danger of war

Zac Corrigan
18 November 2016

On Thursday, November 17, members of the International Youth and Students for Social Equality, led by Jerry White, the Socialist Equality Party’s 2016 US presidential candidate, visited Cass Technical High School in downtown Detroit. Students spoke on the election of Trump, the growing protest movement sweeping the nation, and the danger of war and dictatorship.
