We are excited to announce a centenary edition of the extraordinary cinematic account of this event, *Tsar to Lenin*—with dramatic documentary footage from the mass uprising that overthrew the centuries-old Tsarist regime in February 1917, to the Bolshevik-led insurrection eight months later that established the first socialist workers' state, and the final victory in 1921 of the new Soviet regime over counterrevolutionary forces after a three-year-long civil war. This 1917 Centenary Edition contains subtitles in 15 languages.
