Rómulo Avelica-González is the 48-year-old father of four US citizen daughters. He was seized by Immigration and Customs Enforcement (ICE) agents on February 28 while dropping his daughter Fatima off at school. Fatima recorded the arrest on a mobile phone, and the video has been viewed hundreds of thousands of times.

Rómulo is currently being held at a detention center in Adelanto, California. The facility is under quarantine for a measles outbreak, and his family has not been allowed to visit him.
