

Social Media Video: Free the Maruti Suzuki workers!

27 March 2017

The *World Socialist Web Site* has posted a social media video to campaign for the release of the 13 Maruti Suzuki workers in India who have been framed up and sentenced to life in prison. We urge our readers to share the video as widely as possible on Facebook and other social media sites to inform workers and young people around the world about this case and demand the immediate release of these workers. The video contains a link to the international online petition campaign initiated by the International Committee of the Fourth International and the WSWS.
