

# Attend meeting of Grenfell Fire Forum in London on Saturday October 21

19 October 2017

The Grenfell Fire Forum is holding the second in a series of regular meetings on the Grenfell fire on October 21 at the Maxilla Hall Social Club, North Kensington, London.

The first meeting of the Forum, established by the Socialist Equality Party, was held on September 30 and discussed the opening of the Grenfell Tower Fire inquiry and the way forward in opposing the government's cover-up and establishing the truth about the fire and those responsible.

The SEP has warned that the inquiry is a fraud—aimed at covering up for those responsible for the economic, social and political decisions that led to at least 80 deaths.

We will dissect the inquiry and expose its lies and evasions. This work of political exposure is an essential part of mobilising workers and youth independently of the political establishment to secure genuine justice for all those affected. All are welcome to this democratic discussion forum.
