

The struggle for socialism and the importance of history: David North interviewed on Radio Sri Lanka

12 October 2018

David North, chairman of the international editorial board of the *World Socialist Web Site*, was interviewed for more than 30 minutes on Radio Sri Lanka's English-language "Coffee with Dan" program on October 8. The radio station is part of the state-funded Sri Lankan Broadcasting Corporation network.

"Coffee with Dan" is hosted by Dr. Dan Malika Gunasekera, a well-known legal consultant and attorney at law. Gunasekera's probing questions gave North the opportunity to discuss the crisis of global capitalism, the character of the Trump administration in the US, the significance of the economic rise of China, the danger of imperialist war, and the necessity for the many workers and young people becoming interested in socialism to study the history of the Fourth International.
