In this video interview, Andreja Pejic, a socialist-minded artist and outspoken opponent of war, speaks with Socialist Equality Party member Sue Phillips about the anti-democratic electoral laws recently rushed through the Australian parliament.

Pejic points to the breakdown of democracy worldwide, the criminal neglect of governments during the COVID-19 pandemic and the mounting drive to war against China.

Earlier this week Pejic posted a powerful short video statement appealing to her many followers on social media to oppose the laws and join the Socialist Equality Party as electoral members.
