

Dr. Gasperowicz on the scientific measures needed to eradicate COVID-19

Educators Rank-and-File Safety Committee
4 October 2021

In this video interview, University of Calgary developmental biologist Dr. Malgorzata Gasperowicz speaks with *World Socialist Web Site* education writer Evan Blake about the October 1 UK school strike and the measures necessary to eradicate COVID-19. Dr. Gasperowicz is a member of Zero COVID Canada and has been a leading advocate for the eradication of COVID-19.

We encourage our readers to share this interview widely on social media and to visit the Global Online Picket Line to view numerous video statements from the October 1 school strike.

On August 22, Dr. Gasperowicz participated in the WSWS online webinar, “For a Global Strategy to Stop the Pandemic and Save Lives!” Watch the event here.

WSWS Writer Benjamin Mateus also conducted a two-part interview with Dr. Gasperowicz, which can be read here.
