

Green Party presidential candidate Jill Stein calls for release of Bogdan Syrotiuk

25 October 2024

Green Party presidential candidate Jill Stein has made this statement calling for the release of socialist and anti-war activist Bogdan Syrotiuk, who has been imprisoned by the Zelensky regime in Ukraine.

October 25 marked six months since the arrest of Bogdan, who is 25 years old and in poor health. He is being held in a prison under atrocious conditions on fraudulent charges of serving the interests of Russia. In fact, Bogdan is an intransigent opponent of the capitalist Putin regime and its invasion of Ukraine. He fights for the unity of the working class in Ukraine, Russia and throughout the former Soviet Union.
