The Socialist Equality Party has produced a campaign video for its upcoming meeting, “Trump’s war on free speech: The case of Momodou Taal”, being held in London on Saturday May 31.

We encourage all of our readers to watch and circulate widely.

The meeting will provide a vital opportunity to discuss President Donald Trump’s war on constitutionally enshrined democratic rights, and the worsening genocide in Gaza.

Tickets are still available at Eventbrite. Get yours today.
