

“Americans don’t want this war”: Protesters at “No Kings” rallies speak out

Our reporters
31 March 2026

WSWS video reporters spoke to protesters at the third round of “No Kings” demonstrations on March 28, which drew millions of people into the streets across the United States in what was the largest single-day protest in American history.

Organizers estimated that roughly eight million people participated in more than 3,300 events across the 50 states in every major city, along with hundreds of small towns.
